

# Clover® Go: Wherever your business takes you

Accept payments on the go, wherever you go. Whether you're selling at the local farmers market or at a customer's job site, Clover® Go makes it easy to take your business to your customers.

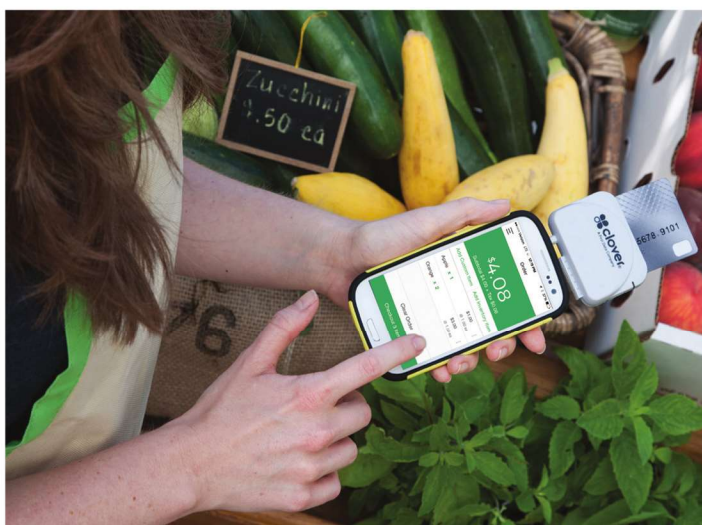

Securely and reliably accept credit and debit cards – including EMV® chip cards – with ease, right from your smartphone or tablet. Clover Go also comes with clear and intuitive reporting on sales activity along with insights on other local companies in your industry. Reliable support is available whenever you need it.

- **Simple:** Ready out of the box; just charge, plug in and use with your iOS or Android phone or tablet
- **Flexible:** Works anywhere you have a wifi or cellular connection
- **Secure:** Accept EMV chip cards and get the confidence that comes with TransArmor® data protection
- **Reliable Support:** Enjoy 24x7 customer care and support
- **Intuitive Reporting:** See how your sales activity compares to your competitors with the Insights™ Solution

## Helps you manage your business:

- Set custom tip and tax rates
- Add and manage Clover Go permissions for employees
- See your transactions on the Clover dashboard
- Email or text receipts to your customers

# The Clover® Go Solution

## It's easy to get started

1. Sign up, and activate your Clover credentials
2. Download the Clover Go app from the App Store<sup>SM</sup> or Google Play<sup>SM</sup>
3. Charge the Clover Go card reader and plug it into your smart device

The Clover® Go solution is fast and reliable. It supports chip and swipe payments, and comes with TransArmor® – the industry's leading data protection solution, so you can accept payments with confidence.

With the Insightics® Solution, you'll receive a weekly email containing powerful information on your business performance to help you make better business decisions.

And Clover Go grows with your business. You can easily move to other Clover devices and solutions as your business evolves.

Best of all, you get all the support and service you need from the global leader in reliable and secure payment solutions so you can spend more time doing what you love. After all, that's why you went into business in the first place.
